1 - ORDER

**BROWN, Judge.**

Magistrate Judge Donald C. Ashmanskas issued Findings and Recommendation (#60) on March 4, 2008, in which he recommended this Court deny Petitioner Donald G. Sager's Petition for Writ of Habeas Corpus (#2) and enter a judgment dismissing this matter with prejudice. Petitioner filed timely Objections to the Findings and Recommendation. The matter is now before this Court pursuant to 28 U.S.C. § 636(b)(1) and Federal Rule of Civil Procedure 72(b).

When any party objects to any portion of the Magistrate Judge's Findings and Recommendation, the district court must make a *de novo* determination of that portion of the Magistrate Judge's report. 28 U.S.C. § 636(b)(1). *See also United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9<sup>th</sup> Cir. 2003) (*en banc*); *United States v. Bernhardt*, 840 F.2d 1441, 1444 (9<sup>th</sup> Cir. 1988).

This Court has carefully considered Petitioner's Objections and concludes they do not provide a basis to modify the Findings and Recommendation. The Court also has reviewed the pertinent portions of the record *de novo* and does not find any error in the Magistrate Judge's Findings and Recommendation.

#### **CONCLUSION**

The Court **ADOPTS** Magistrate Judge Ashmanskas's Findings and Recommendation (#60). Accordingly, the Court **DENIES** the Petition

for Writ of Habeas Corpus (#2) and **DISMISSES** this matter **with prejudice.**

IT IS SO ORDERED.

DATED this 24<sup>th</sup> day of June, 2008.

---

ANNA J. BROWN  
United States District Judge
